

## **ROOMMATE ATTRITION DURING BCT:**

Marty Stytz (*I lost 3 during First BCT, and had the room to myself for 10 days.*)

Jim Carlson (*The only roommate from doolie year that graduated was Barry Ketchie. The others that attritted were: Tom Cronin, Tom Metzroth, and Clark Culp. Later upperclass roommates (seven in all) fared better and all graduated, thereby removing the curse.*)

## **SQUADRONS WITH HIGHEST ATTRITION**

Ed Zerambo (*We, CS-34, should be in the running -- we had guys added senior year.*)

## **SQUADRONS WITH LOWEST ATTRITION**

Jim Carlson (*CS-33 lost only one guy, 3-degree year. We actually were forced to give up 6 Firsties to other squadrons for the infamous "Senior Shuffle". That was one stupid moves by the powers that be.*)
