

**R-FLIGHT:**

John Charlton (1x)

Rick Douglas (1x) (*Summer, 1972, Analytical Equations in Differential Geometry*).

Dean Cox (2x)

Hoss Erving (*I was only a two year letterman in R-Flight -- flunking Doolie Math had long lasting impact, but did wonders for my golf game.*)

Phil Saenger (3x) (*After I flunked doolie Spring math -- the most credit hour course offered at the zoo.*)

Bruce Fritzsche (*Every summer PLUS two after most everyone graduated.*)
