

UNITED STATES AIR FORCE ACADEMY

Class of 1960

MEMORIAL CEREMONY

September 19, 2025

THE CLASS OF 1960 MEMORIAL CEREMONY

The Class of 1960 Memorial Ceremony is conducted this year as part of their 65th reunion and provides an opportunity for the graduate community to honor and remember those classmates who have passed away.

The first ceremony of this type occurred in 1964 with a memorial service in the Cadet Chapel. In 1965, the ceremony was changed to a formation on the Terrazzo, and then returned to the Chapel in 1990 for classes celebrating their 25th or later reunion. This year's memorial ceremony, conducted in the Southeast Asia Memorial Pavilion on the AOG Heritage Trail, will be highlighted by a roll call of deceased classmates. As each deceased class member's name is called out, all classmates will respond, "Absent, sir." The roll call will be immediately followed by a minute of silence and a slow hand salute to honor the fallen.

This memorial ceremony is dedicated to those members of the Class of 1960 who have gone before us. It is a time to embrace the memories of our fallen classmates. In this ceremony, we recognize our departed classmates, and celebrate as a community the experiences that made us the USAF Academy Class of 1960.

► THE GRADUATE WAR MEMORIAL

The Graduate War Memorial is situated on the north end of the Terrazzo's Air Garden and faces the American flag, for which those deceased graduates listed on the memorial died. The memorial is a striking curved monolith constructed of three 7'x21' slabs of black starlite granite. The inscription, "In memory of our fellow graduates who have fallen in battle..." is a simple but eloquent statement of the criteria for a name to be included on the memorial. The determination of graduates remembered on the Graduate War Memorial follows these circumstances:

- Graduates who died from direct hostile action.
- Graduates who died within an area of conflict as the result of an incident which was in direct support of the conflict.
- Graduates who died outside an area of conflict while directly supporting the activities within that area will be considered on an individual basis by the Board of Directors of the Association of Graduates.

At the dedication ceremony in 1970, Brig. Gen. Robin Olds, commandant of cadets, brought the essence of the memorial forcefully home with the following words:

“This monolith of simple beauty contains the names of graduates of the Air Force Academy who have given their lives in combat. Each was a gallant man, devoted to his country and proud of his heritage. Each died bravely, as one’s country sometimes calls upon her sons to do. Remember these names. Honor them. They are a part of you, the Wing. They represent your past, as you today represent our future. Reflect on their example of selfless devotion to duty, and gain courage so that when you face your test you may add honor and glory to the annals of the Wing — and of the Air Force — and of our country.”

Seven members of the Class of 1960 are among the 190 names on the Graduate War Memorial.

Valmore W. Bourque

Robert C. Davis

Michael L. Hyde

James D. Mills

James E. Morton Jr.

Samuel E. Waters Jr.

Grant R. Waugh

There are 190 graduates listed on the Graduate War Memorial, including two graduates—Charles E. Jones ’74 and LeRoy Homer Jr. ’87—who were killed in the Sept. 11, 2001, terror attacks.

A Graduate War Memorial replica is located north of the Class of ’59 Challenge Bridge at Doolittle Hall. The replica, a gift from the Class of 1970, was completed and set in place in May 2004.

Memorial Locations:

In addition to the war memorial and replica, cadets and graduates are memorialized in other Academy locations. The names of those who die on active duty are placed on plaques outside the Cadet Chapel. Names of other deceased graduates may also be found on the plaque at the Memorial Tree Grove located east of Doolittle Hall, in the memorial section of the USAF Academy Cemetery and on a memorial paver at Doolittle Hall.

► LORD GUARD AND GUIDE THE MEN WHO FLY

Lord guard and guide the men who fly
Through the great spaces of the sky;
Be with them traversing the air
In darkening storms or sunshine fair.

You who support with tender might
The balanced birds in all their flight,
Lord of the tempered winds, be near,
That, having you, they know no fear.

Control their minds with instinct fit
Whene'er, adventuring they quit
The firm security of land;
Grant steadfast eye and skillful hand.

Aloft in solitudes of space,
Uphold them with your saving grace.
O God, protect the men who fly
Through lonely ways beneath the sky. Amen.

— *Mary C. D. Hamilton*

► HIGH FLIGHT

Oh, I have slipped the surly bonds of earth
And danced the skies on laughter-silvered wings;
Sunward I've climbed, and joined the tumbling mirth
Of sun-split clouds—and done a hundred things
You have not dreamed of—wheeled and soared and swung
High in the sunlit silence. Hov'ring there
I've chased the shouting wind along, and flung
My eager craft through footless halls of air.
Up, up the long, delirious, burning blue
I've topped the windswept heights with easy grace
Where never lark, or even eagle flew.
And, while with silent, lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of God.

— *John Gillespie Magee Jr.*
(1922-1941)

► THE U.S. AIR FORCE (VERSE III)

Here's a toast to the host
Of those who love the vastness of the sky,
To a friend we send a message of the brave
who serve on high.
We drink to those who gave their all of old
Then down we roar to score the rainbow's
pot of gold.
A toast to the host of those we boast,
the U.S. Air Force!

— *Robert MacArthur Crawford*

DECEASED OTHER CLASSMATES

When 300 young men reported to Lowry Air Force Base on 9 July 1956, the Class of 1960 was formed. They were joined by 18 members of the Class of 1959 who had to repeat some academic work. Together the 318 became the brotherhood we call *Classmates*. Of that original number, 227 successfully weathered the rigors of academics and professional training and added the title *Graduate* on 8 June 1960. Six of those who did not graduate on that date went on to graduate with the Class of 1961. Most of the remaining 85 went forward to lives of service and rewarding careers. All of them remain *Classmates*. We honor these who are no longer with us.
